Dear Mr. Cline, President:

Thank you so much for selecting the Ben Wilson Senior Activity Center as the recipient of your non-profit, community-based funding project of up to \$50,000. On behalf of the Board and staff of the Center, please accept our thanks for this funding. As you know, our organization exists to serve the senior community and with your funding, we can do this more efficiently and effectively.

We are writing to express our sincere gratitude for the opportunity to participate in the "Partnering to Give Back" program with Libertas Consulting, the Greater Bucks/Mont Chamber of Commerce and Low Voltage Nation. We were thrilled to learn of your selection for this honor and are deeply appreciative of your support. We extend our gratitude for your continued support of senior community funding through your grant activity.

The outcome of this funding project will be used to assist us in broadening our community outreach and continue our mission of promoting good fellowship and companionship through social activities and community projects. We look forward to the installation of our tech upgrade.

Again, thank you for your consideration and we commit to do well with your investment.

Yours sincerely,
