

SPONSORSHIP OPPORTUNITY

WE'RE DOING IT AGAIN & Need Your Help!

Last year, Libertas Consulting partnered with Low Voltage Nation & The Greater BucksMont Chamber of Commerce to bring nearly \$50,000 of products and services to Historic Craven Hall, located in Warminster, PA at absolutely NO COST to them, and this year, we've set our sights on the Ben Wilson Senior Center.

HOW WAS THIS POSSIBLE?

All equipment, services, installation, hardware and implementation were generously donated to preserve Craven Hall's ability to share History with future generations while also offering the community a much-needed, state-of-the-art meeting center. For the Ben Wilson Senior Center, our goal is to enhance security, install and bolster WiFi, and outfit their facility with the means to engage with the community on a larger scale.
